Muslim Educational Society

The Muslim Educational Society is one of the biggest service organizations serving the Muslim Minority in the country. It has made valuable contributions in education, social, health, vocational and many other fields in the country for more than 50 years. The Society is running a number of Colleges, Schools, Hostels, Medicare Centers, Orphanages, Vocational training centers, industrial training centers etc. all over the country, but majority of institutions are working in the State of Kerala. MES also undertakes a number of educational programmes such as awarding Scholarships, Minority Coaching centers, Free Distribution of Books, Conducting seminars etc. The Society is registered under Societies Registration Act XXI of 1860. The MES is entitled to the protection under Article 25 to 30 of the Constitution of India and enjoys the status of a Muslim Minority Institution.

MES College of Engineering, Kuttippuram

This is the first Self-financing Engineering College in the private sector sanctioned by the Government of Kerala. This is a Muslim Minority Institution. The College has been certified under ISO 9001: 2008. The departments of CE, CSE, EEE and ME have been accredited by National Board of Accreditation. The College is located at Kuttippuram, 4 kms, south of Kuttippuram Railway Station on Kuttippuram – Trichur Highway. The nearest Airport is at Karipur - 50 kms away from the College.

Vision

To develop an institution of international standing to provide quality education in Engineering Technology and Management and empower students to face challenges taking care of societal responsibilities.

Mission

- To provide state-of-art knowledge and skills to serve industry and society with dedication.
- To develop creativity and innovative research capabilities in the students, making them capable of useful contributions in the creation of knowledge society.
- To inculcate leadership qualities, human values and social responsibilities in the youth to make them leaders in nation building.

Details of infrastructure

Academic

The campus is having aesthetically designed permanent structures confined to respective activities - the Academic buildings, Labs, Library, Auditorium, Hostels, Guest House, Canteen, Cafeteria, Playgrounds, Gymnasium, Bank, Mosque etc.

Physical Education Department of the college is offering facilities for the students and staff for the active involvement in sports. The department opens opportunities to the student to expertise and exposes their talents in various sports activities.

Gymnasium is available in the Men's Hostel as well as Ladies Hostel with all latest equipments. Students and Staff members can avail this facility in the morning as well as evening.

Student Facilities

Campus Network Cell[CNC]

Campus Network Cell was formed in the year 2005 under Computer Science and Engineering department. College is fully networked with a campus wide network interconnecting all departments and sections in to a single LAN. The network is having a fiber backbone of one Gig capacity.

Bank

Punjab National Bank, Thrikkannapuram branch is functioning inside the campus. Arrangement has been made with the bank to receive the college and hostel fees. In addition, it also provides other banking facilities. An ATM is also functioning inside the campus.

College Bus

There are college buses running to Kottakkal and Kunnumkulam from the college campus and back, on all working days for the convenience of students and members of staff.

Co-operative Store

A registered co-operative society store is functioning in the college to help staff and students in the purchase of books and other stationery items at reduced rate. The store will be open from 9 am to 5 pm on all working days.

Medical Aid

A Lady Doctor is available in the campus between 12.30 P.M. to 1.30 P.M. A separate clinic is functioning inside the campus for the practice of the medical officer.

Library

A fully automated state of the art library is home to more than 66000 volumes of technical books, 331 national and international reputed journals, CD-ROMs, DVDs, e-database, Project Reports, Seminar Reports, Thesis Reports, IS codes etc. More than 3000 Users are utilizing these facilities.

Hostel

A Women's Hostel with capacity of 750 and a Men's Hostel with capacity of 700 are functioning within the campus. A rented Mens Hostel with a capacity of 100 is additionally facilitated. Since only limited numbers of hostel seats are available, admission is restricted. Preference will be given to those who come from far off places and those who have good academic records.

Post Office

Thrikkanapuram South, Post Office is functioning inside the campus.

Training & Placement

To develop the personality of every student by imparting training in soft skills, communication skills, group discussion, interview techniques, leadership qualities and team work. Empower the students to face life confidently and to enable every one of them to leave the campus with a coveted job in reputed establishment.

Grievance Redressal Committee

All grievances of staff/student are redressed expeditiously, as each staff/ student is a key stake holder of the organization. Any grievances reported verbally or written are appropriately dealt with by the concerned Department Grievance Cell in which the Head of the Department, senior faculty, Group Tutor and one lady faculty are members. . However, the staff/ student, if desires or not feel that his/her grievance is not redressed satisfactorily, can approach the Institute level Grievance Redressal Committee. The committee investigates the complaint quickly and recommends appropriate action which is implemented after getting approval from Principal.

Academic Disciplinary Committee (ADC)

Any disciplinary matter communicated verbally, written form or in anonymous format are viewed with due weightage. Academic Disciplinary Committee is primarily responsible for assisting principal in ensuring

discipline in the campus. It will give recommendations seems to be necessary to maintain a peaceful atmosphere in the campus to the college council.

Anti-ragging committee

To prevent and deter incidents of ragging in higher educational institutions, the Government of India has taken a serious view on such cases. All directives from the regulatory authorities and government agencies for the prevention of ragging are implemented in the college in letter and in spirit. The institution follows a well-documented Anti-Ragging policy.

Alumni

The college started on 1994 and the first batch completed on 1998. There are many alumni working in and abroad in well reputed companies and holding high positions. At present, we have many independent alumni chapters running in different countries and all of them are very active. They conduct different programs and social service activities.
