

**DEPARTMENT OF CIVIL ENGINEERING
MESCE, KUTTIPPURAM**

VISION :

To develop internationally acclaimed educational programmes in Civil Engineering and equip the students to face current and future challenges, with due care of societal responsibilities.

MISSION :

- To provide an educational, professional and intellectual experience that enables the students to serve industry, profession and society through novel solutions.
- Educating, inspiring and mentoring students to develop creativity and innovative research capabilities.
- To produce outstanding Civil Engineering graduates with highest ethics, leadership qualities and social responsibilities to make them leaders in nation building.

Program Educational Objectives (PEOs)

- 1) To create skilled Civil Engineers who can contribute effectively to the Civil Engineering profession.
- 2) To apply fundamental technical knowledge and skills to find creative solutions to Civil Engineering problems in a sustainable manner.
- 3) To encourage higher education and research in Civil Engineering and allied areas of Science and technology.
- 4) To practice Civil Engineering in a responsible professional and ethical manner and implement eco-friendly technologies for the benefit of industry and society.
- 5) To develop entrepreneurship skills in students.
